Care management and administration

Care management is an important service that includes coordinating care and services that will help you deliver on the goals you identified in your Care Plan. Every Home Care Package, including those being self-managed will require some level of care management.

Our approach

Group Homes Australia takes an active role in managing the right care needs for you. Our care management includes ongoing assessments, planning, facilitation, care coordination, evaluation of your services and support. The administration covers the management of your package funds and statements, government audits and training. Your dedicated Home Care Manager will work with you to plan your care and help you use your package in the best way possible.
